

## IT'S CALLED 20X FOR A REASON

**ADVANAGE 20X** is Ultra-concentrated. Just add water and you will have the most powerful cleaner in the industry and at the same time, you will have a ready-to-use cleaner that contains no phosphates, is biodegradable, non-toxic, and safe around children and pets.

Being ultra-concentrated is what makes ADVANAGE 20X so affordable because one quart of 20X makes 20 quarts of the best ready-to-use cleaner on the market. Use it for carpet cleaning, kitchens, bathrooms, laundry, and clothes. It is without question the best and only cleaner you'll ever need.
